Crookston Duluth Morris Rochester Twin Cities

The University of Minnesota System has five distinct campuses—**Crookston, Duluth, Morris, Rochester, and Twin Cities**—serving all regions of the state. Each campus has unique strengths, enriched by its surrounding communities. We focus on meeting the needs of each student, supporting them through world-class programming, academics and hands-on experiences. Four years later, they are ready to take on local and global challenges in their first professional job or in advanced degree coursework. #UMNProud.
