The University of Minnesota System has five distinct campuses—Crookston, Duluth, Morris, Rochester, and Twin Cities—serving all regions of the state. Each campus has unique strengths, enriched by its surrounding communities. We focus on meeting the needs of each student, supporting them through world-class programming, academics and hands-on experiences. Four years later, they are ready to take on local and global challenges in their first professional job or in advanced degree coursework. #UMNProud.
