The University of Minnesota System has five distinct campuses—**Crookston, Duluth, Morris, Rochester, and Twin Cities**—serving all regions of the state. Each campus has unique strengths, enriched by its surrounding communities. We focus on meeting the needs of each student, supporting them through world-class programming, academics and hands-on experiences. Four years later, they are ready to take on local and global challenges in their first professional job or in advanced degree coursework. #UMNProud.

Costs of attendance for 2024-2025 academic year. Details for [Crookston](#), [Duluth](#), [Morris](#), [Rochester](#), [Twin Cities](#). Updated costs are set by the Regents the summer before fall semester.

The University has reciprocity agreements with the states of Wisconsin, North Dakota, and the province of Manitoba, Canada. Residents of any of these states or provinces may qualify for reciprocity tuition rates, which are lower than nonresident tuition rates and, in some cases, comparable to resident rates. In addition, the Duluth campus participates in the Midwest Student Exchange Program, which allows residents of Illinois, Indiana, Kansas, Missouri, Nebraska, or Ohio to attend at a discounted rate.

Costs are estimated for planning purposes. Final housing and fees are estimates and will be determined each summer prior to the new academic year by the Board of Regents.
