LETTER FROM THE PROVOST

Dear 2023 Graduates:

Congratulations on the culmination of your years of effort, dedication, and commitment. Today you will receive your well-earned diploma. I join with your families, your instructors, and your mentors in saying that I am proud of you and what you have accomplished here at the University of Minnesota.

But the diploma is not simply a piece of paper, or a credential. It represents the information, knowledge, and wisdom you have acquired during your time with us.

Each of you has been on a journey of discovery. You have discovered new knowledge, expertise, and perspectives through your educational experiences. But you have also discovered yourself: your strength, your resilience, and your dreams for the future. These discoveries have led to a greater understanding of our community, our nation, and our world, a personal vision for the future, and an obligation to fulfill your role and responsibility in creating that future.

I want to acknowledge that your college experience has looked very different from that of students who graduated prior to 2020. We have together learned about accessibility, flexibility, and resilience. We have together worked to examine our institution's role and responsibilities in racial, cultural, and gender relations, and to identify areas in which we can and should improve. We are all grateful for your collaboration in these important initiatives, and I assure you that we will carry on the work that we have begun together, even as you may move on.

You are about to embark on a new chapter in your life, and a milestone like this can sometimes feel like stepping off a cliff into a void of uncertainty. But I hope that you will embrace the excitement, and the pure potential, that lies ahead of you. As Octavia Butler said in her 2017 commencement address: "It's your turn to choose and define what success means to you. Now, others will try to define it for you, but yours is the only voice that matters."

I wish you success in the myriad ways you define it, and I eagerly await the opportunity to hear your voices ringing out loud and true as you shape the world.

As you contemplate your next steps, know that you will always be a member of the University of Minnesota family. Our entire community stands behind you, believing in you, here to support you, and cheering you on. Your efforts will change our world for the better, and we are so proud to know that we were a part of enabling that change.

Finally, I hope that you will stay in touch with the University of Minnesota and participate in our community as alumni. Just as you have received support throughout your time here, and as you receive our support today, you will one day be in a position to offer that support to future generations of students and new graduates. Thank you in advance on their behalf.

Congratulations again on your accomplishments. Please keep in touch. We all look forward to your bright future, wherever life may take you.

Sincerely yours,

Rachel Croson
Executive Vice President and Provost, University of Minnesota

UNIVERSITY OF MINNESOTA
UNDERGRADUATE STUDENT CONFERRAL CEREMONY

May 13, 2023 | Huntington Bank Stadium

ORDER OF EVENTS

PROCESSIONAL

If you are able, please stand for the Mace and flag procession to the stage. You may be seated during the remaining faculty and graduate procession.

NATIONAL ANTHEM

Please join us in singing the National Anthem performed by the University of Minnesota School of Music

LIFT EVERY VOICE AND SING

Please join us in singing “*Lift Every Voice and Sing*” performed by Known MPLS (Lyrics on page 9)

WELCOME

Joan Gabel
President, University of Minnesota

STUDENT SPEAKER

Aarohi Shah
BA '23, Human Physiology, BA/MD Program

KEYNOTE SPEAKER

Stéphane Bancel
MS '95, Chemical Engineering
Founding Chief Executive Officer, Moderna

I WANT YOU TO DO THE GOPHER

PJ Fleck
Head Football Coach, University of Minnesota

PRESENTATION OF DEGREES & COLLEGIATE RECOGNITION

Carlson School of Management - Dean Sri Zaheer
College of Biological Sciences - Interim Dean David Greenstein
College of Continuing & Professional Studies - Dean Bob Stine
College of Design - Dean Carol Strohecker
College of Education and Human Development - Dean Michael Rodriguez
College of Food, Agriculture & Natural Resource Sciences - Dean Brian Buhr
College of Liberal Arts - Dean John Coleman
College of Science and Engineering - Associate Dean for Undergraduate Programs Paul Strykowski

ALUMNI SPEAKER

Emilia Ndely-Ogundipe
BA '11, Economics
White House Presidential Innovation Fellow

CONFERRING OF DEGREES

Douglas A. Huebsch
BS '85, Agricultural Economics
Regent, University of Minnesota

HAIL! MINNESOTA

Please rise and join in singing “*Hail! Minnesota*” in honor of our alma mater performed by the University of Minnesota School of Music (Lyrics on page 9)

MINNESOTA ROUSER

Performed by the University of Minnesota School of Music (Lyrics on page 9)

RECESSIONAL

Performed by the University of Minnesota School of Music

CEREMONY DETAILS

The 2023 undergraduate conferral ceremony includes bachelor's degree graduates from the College of Biological Sciences, College of Continuing and Professional Studies, College of Design, College of Education and Human Development, College of Food, Agricultural and Natural Resource Sciences, College of Liberal Arts, Carlson School of Management, and the College of Science and Engineering.

The ceremony is expected to last approximately two and a half hours and includes a procession of faculty, students, regents, and other guests. As a courtesy to the graduates and other guests, we ask that all guests refrain from talking and remain in their seats during the ceremony. Please silence all cell phones and other electronic devices.

Degrees are formally granted by a regent of the University of Minnesota at the end of the ceremony. After formally having their degrees conferred, undergraduate students will move their graduation cap tassels from right to left, ceremonially completing their degree.

Congratulate the Class of 2023 on Social Media!

Whether you're a graduate sharing a memory, a parent applauding your student, or an alum offering advice, tag your photos and videos with #UMNproud #UMN23

CEREMONY HOST

Joan Gabel

President, University of Minnesota

Joan T.A. Gabel is the 17th president of the University of Minnesota, where she's led the creation and metric-driven implementation of the University's first comprehensive systemwide strategic plan, MPact 2025, resulting in record-setting graduation rates, annual research expenditures, start-ups, and patents, along with unmatched private giving, and completion of the \$4 billion Driven campaign at 10% over goal. Transformational collaborations, such as NXT GEN MED, a ground-breaking partnership between the University, the Mayo Clinic and Google, have elevated the University's impact. President Gabel also relied upon MPact 2025 priorities to enhance PIPSM, the President's Initiative to Prevent Sexual Misconduct and launch PRISMH, the President's Initiative on Student Mental Health.

Prior to joining the University of Minnesota, President Gabel was the executive vice president and provost at the University of South Carolina, where she revitalized the scholarly enterprise and launched new interdisciplinary programs, increasing enrollment and alternative revenue streams. Her academic interests include legal and ethical issues in business and governance, including public higher education and women's leadership. A sought-after national and international speaker/advisor, President Gabel's expertise and research emphasizes inclusion, leadership, risk management, ethics, and governance for higher education, industry, and federal and state government.

STUDENT SPEAKER

Aarohi Shah

BA '23, Human Physiology, BA/MD Program

Aarohi A. Shah (she/her) will be graduating from the College of Liberal Arts with a bachelor of arts in human physiology and a minor in interdisciplinary design from the College of Design. Born and raised in Minnesota as a first-generation American, Aarohi's parents are both Gopher alumni, which instilled a love for the University in her from a young age.

During her time at the University, Aarohi has been deeply involved in the community, fostering a sense of belonging and camaraderie. She has served as the president of the College of Liberal Arts Student Board, Homecoming Queen, a member of the Indian Student Association, and a group fitness instructor.

Aarohi is an avid hiker, cook, and a big fan of peanut butter, but above all else, she cherishes spending time with her family. She believes that her University experience has taught her the importance of creating an inclusive space, and that happiness lies in giving more than we take. Beginning fall 2023, Aarohi will be continuing her journey as a Gopher at the University of Minnesota Medical School in the Twin Cities.

KEYNOTE SPEAKER

Stéphane Bancel

MS '95, Chemical Engineering
Founding Chief Executive Officer, Moderna

Stéphane Bancel has served as Moderna's chief executive officer since October 2011 and as a member of Moderna's board of directors since March 2011. Before joining the company, Mr. Bancel served for five years as chief executive officer of the French diagnostics company bioMérieux SA. From July 2000 to March 2006, he served in various roles at Eli Lilly and Company, including as managing director, Belgium and as executive director, global manufacturing strategy and supply chain. Prior to Lilly, Mr. Bancel served as Asia-Pacific sales and marketing director for bioMérieux. Mr. Bancel currently serves on the board of directors of Indigo. He is currently a venture partner at Flagship Pioneering. Mr. Bancel holds a master of engineering degree from École Centrale Paris (ECP), a master of science in chemical engineering from the University of Minnesota, and a master of business administration from Harvard Business School.

ALUMNI SPEAKER

Emilia Ndely-Ogundipe

BA '11, Economics
White House Presidential Innovation Fellow

Emilia Ndely-Ogundipe is currently in her second year as a White House Presidential Innovation Fellow, where she is detailed to the United States Department of Labor engaging in special projects for the secretary's office. Prior to her role at the federal government, Emilia was a product lead within the Office of Innovation for the State of New Jersey where she helped millions of residents find vaccines by creating the nation's second state-sponsored vaccine appointment finder. Emilia started her career as a management consultant at Ernst and Young (EY) helping dozens of healthcare institutions across the country transform their digital products.

Emilia was a dual degree student at the University of North Carolina at Chapel Hill earning her master of business administration and master of healthcare administration in 2015. She is a 2011 graduate of the University of Minnesota Twin Cities earning her bachelor of arts in economics and double minoring in sociology and management. During her time at the U she served on the Black Student Union board, Boynton's Student Health Advisory Council, and was president of Black Motivated Women. She continued to support the Gopher community after graduating by founding the University of Minnesota Black Alumni Network (UMNBAN) in 2015 and serving as UMNBAN's president for its first five years. She then started serving on the UMN Alumni Network board of directors in 2018 as the student and recent alumni director and has served in an executive capacity for the board in 2022 as secretary.

Emilia is a first-generation American, with parents hailing from Cameroon, West Africa and a second-generation Gopher. Her parents' commitment to education, service, and community has inspired her to be a lifelong learner who is passionate about elevating voices of marginalized folks through inclusive product design. As a lifetime Alumni Association member Emilia continues to hold these values dear by showing up, investing, and giving back to her fellow Gophers.

University of Minnesota School of Music Ensemble

- Conductor and Assistant Director of Marching and Athletic Bands: Dr. John Leonard
- Manager (Library and Equipment): R. Louis Vajda
- Percussion: Helen Atkins, Charles Buboltz, Wesley Froehle, Cosette Isakson, Ethan Stafford
- Tuba: Wesley DeCasere, Gabe Welch
- Euphonium: Matt Healy, Hayden Stellges
- Trombone: Juliann Collins, Jackson Ferry, Kyler Gonzalez, Blake LaBarge, Trevor Loewe
- Trumpet: Huiyi Cheng, Trevor Crawford, Courtney Edwards, Hollyn Fellows, Emily Malmgren, Wentao Xiao, Michael Valois
- Horn: Alex Berglund, Hannah Clink, Aidan Firchow, Hailey Heimkes, Henry Rieffer
- Saxophone (Alto): William Frickstad, Tyler Wasielewski
- Saxophone (Baritone): Morgyn Nelson
- Saxophone (Tenor): Brianna McMahan
- Bass Clarinet: Amanda Kumbera, Carter Tuma
- Clarinet: Ching-Wen Chen, Yutian Lei, Esme Mergendahl, Dylan Moreno, Isaac Quaas, Maddie Swenson, Ellie Steffens
- Bassoon: Amelia Anderson, Shih-Han Chang
- Oboe: Maya Chilcote, Emily Exline
- Flute: Anna Klatt, Zi Gao, Isabella Taylor
- Piccolo: Alexandra Brouillard
- Vocalist: Elena De Stasio Stabile

Lift Every Voice and Sing

Written by James Weldon Johnson and J. Rosamond Johnson

Lift every voice and sing,
 'Til earth and heaven ring,
 Ring with the harmonies of Liberty;
 Let our rejoicing rise
 High as the listening skies,
 Let it resound loud as the rolling sea.
 Sing a song full of the faith that the dark past has taught us,
 Sing a song full of the hope that the present has brought us;
 Facing the rising sun of our new day begun,
 Let us march on 'til victory is won.

Hail! Minnesota

Minnesota, hail to thee!
 Hail to thee, our college dear.
 Thy light shall ever be
 A beacon bright and clear.
 Thy sons and daughters true
 Will proclaim thee near and far.
 They will guard thy fame
 And adore thy name,
 Thou shalt be their Northern Star.

Minnesota Rouser

Minnesota, Hats off to thee!
 To thy colors, true we shall ever be,
 Firm and strong, united are we.
 Rah! Rah! Rah! for Ski-U-Mah,
 Rah! Rah! Rah! Rah! Rah for the U of M.
 [Repeat]
 M - I - N - N - E - S - O - T - A!
 Minnesota! Minnesota! Yeaaaaaaah Gophers!

LATIN HONORS AND DISTINCTION

Bachelor's degree candidates may graduate with Latin honors, Distinction, or both.

Latin Honors

Students graduating through the University Honors Program have taken part in a rigorous course of study, research, scholarship, or other creative work in the major, culminating in an Honors thesis representing independent work done under the direction of a faculty supervisor or mentor. Students graduating *cum laude* (with honor) have a minimum cumulative GPA of 3.50 for the last 60 graded credits at the University of Minnesota Twin Cities. *Magna cum laude* (with great honor) awards require a minimum cumulative GPA of 3.66 and *summa cum laude* (with highest honor) awards require a minimum cumulative GPA of 3.75 in the final 60 graded credits at UMTC.

Distinction

Students earn graduation “with Distinction” or “with High Distinction” based on cumulative grade point average at the University of Minnesota Twin Cities with at least 60 graded credits completed at UMTC. Students graduating “with Distinction” must have earned a cumulative GPA of 3.75 or higher in UMTC coursework at the time of graduation; students graduating “with High Distinction” must have earned a cumulative GPA of 3.90 or higher in UMTC coursework at the time of graduation. Students graduating with distinction are wearing gold cords and those graduating with high distinction are wearing maroon and gold cords.

ACADEMIC COSTUME AND REGALIA

Academic gowns date back to the 14th century, when they served two functions of nearly equal importance: to indicate the academic rank of the wearer and to keep the scholar warm in the drafty stone halls of academia.

The markings, cut, and colors of the modern-day academic costume—cap, gown, and sometimes hood—indicate the academic degree, the field of study, and the institution that granted the degree. At commencement ceremonies those who already have a doctoral degree wear hoods. Degree candidates wear the gowns appropriate for the degrees they are about to receive, and new doctorates are hooded on stage.

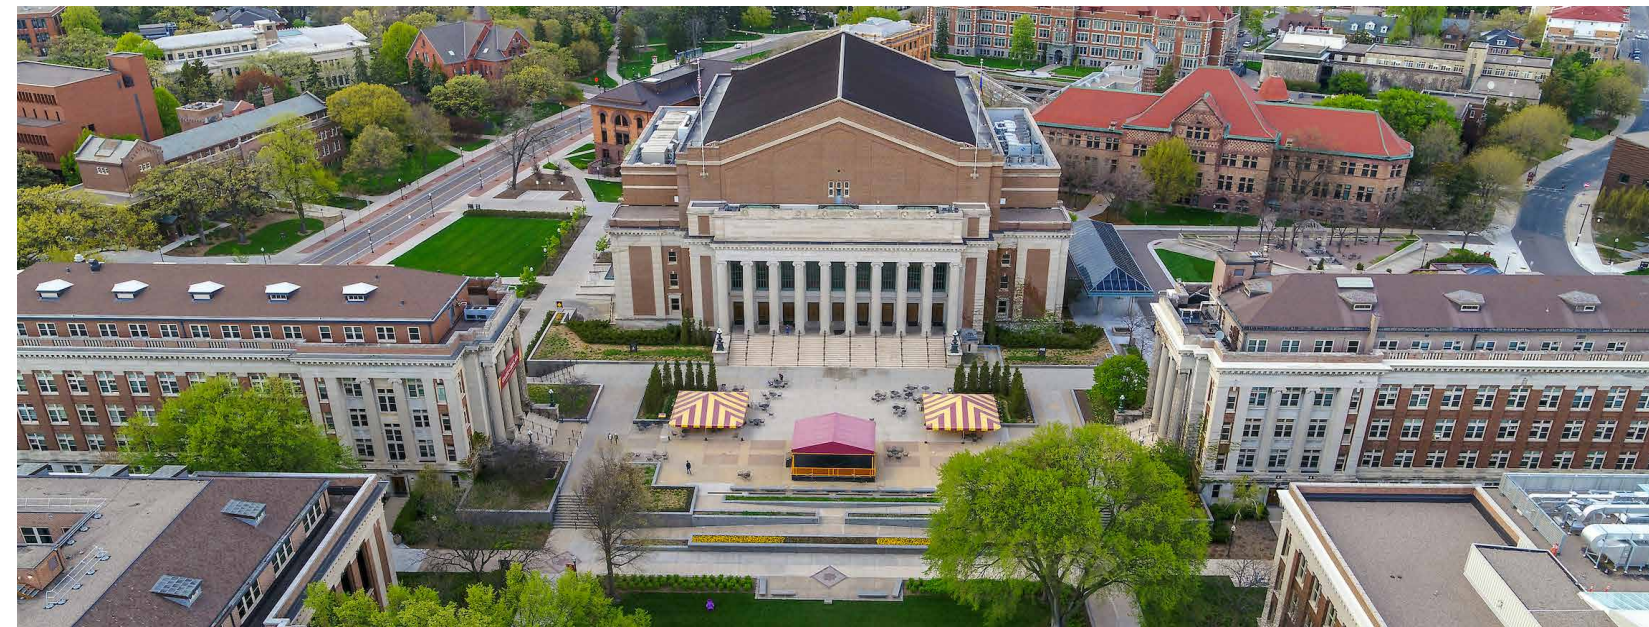

Bachelor's degree gowns are black and untrimmed. A tassel hanging from the mortar board worn on the head is color-coded by college at the University of Minnesota:

- Biological Sciences (CBS) - Gold
- Continuing Education (CCAPS) - Old Gold & White
- Design (CDes) - Copper
- Education & Human Development (CEHD) - Light Blue
- Food, Agricultural & Natural Resources (CFANS) - Maize
- Liberal Arts (CLA) - White
- Carlson School of Management (CSOM) - Maroon & Gold
- Nursing - Maroon & Gold
- Mortuary Science - Green
- Science & Engineering (CSE) - Orange

Master's degree gowns, black and untrimmed, have pointed sleeves. Doctoral gowns in the United States traditionally have been black with velvet front facings and crossbars on the sleeves but in recent years a number of universities have adopted gowns of distinctive school colors. Master's and doctoral students wear a black tassel on their mortar board caps with the exception being Masters of Public Health students, who have a salmon-colored tassel.

The Minnesota hood, which may be worn by anyone with a doctoral degree from the University of Minnesota, is black with maroon chevron on gold. Each institution has its own pattern of colors on the hood, worn around the neck and down the back of the gown. The length and shape of the hood identify the most advanced degree the wearer has earned, and the velvet edging shows the field: blue for doctor of philosophy, light blue for doctor of education, and pink for doctor of musical arts.

UNIVERSITY OF MINNESOTA HISTORY

The University of Minnesota, ranked among the nation's top public universities, reflects the state of Minnesota's strong and enduring commitment to education. It is nearly unique among universities in the United States in its three defining characteristics:

- It is an international research university.
- It is a public land-grant institution with a strong tradition of education and public service.
- Its largest campus—the Twin Cities campus—is located in a vibrant metropolitan area including not one, but two great cities: Minneapolis and St. Paul.

The University is the primary center in Minnesota (and much of the Upper Midwest) for education and research in the liberal arts and sciences, health sciences, law, education, engineering, agriculture, and natural resources. The Twin Cities campus comprises 19 colleges and offers a full range of academic and professional degrees. A comprehensive campus in Duluth offers undergraduate and graduate programs. The Morris campus offers a four-year liberal arts program. Crookston offers associate and baccalaureate degrees in technical, career-oriented programs. The Rochester campus provides graduate and undergraduate degrees, with a special focus on health sciences and biotechnology. Through the Minnesota Extension Service, the University is present in each of Minnesota's 87 counties.

When the University was founded as a preparatory school in 1851, Minnesota had been a territory for just two years, and statehood was still seven years away. The school was built on little more than the pioneers' faith in education. In its early years, the University struggled financially; during the Civil War, it was forced to close. It reopened in 1867, thanks to the energetic leadership of Governor John S. Pillsbury, who came to be known as the “Father of the University.” Mathematics professor William Watts Folwell became the University's first president in 1869. Joan T.A. Gabel is the University's 17th president.

University alumni include Nobel Prize winners, several of Minnesota's governors, a former chief justice of the United States Supreme Court, two former U.S. vice presidents, the heads of Fortune 500 companies, pioneers in medicine, civil rights leaders, top journalists, distinguished teachers and scholars, performing artists, and countless other men and women who have achieved distinction in every field.

Alumni, their families, and friends are always welcome at the University. We invite you to visit campus regularly to enjoy the many educational, cultural, and entertainment opportunities that are open to the public. We also invite you to continue your relationship through the University of Minnesota Alumni Association.

Welcome to the alUMNni community!

The University of Minnesota Alumni Association proudly welcomes you to the global community of 500,000+ alumni.

Find new opportunities with the Alumni Association to develop your career, advocate for the U of M, and connect with fellow alumni.

- ▶ **Access** the Maroon and Gold Network to connect with over 16,000 fellow alumni and students for career advice, networking, and mentorship.
- ▶ **Connect** to an alumni network, your link to grads who share your interests, identity, or location.
- ▶ **Discover**, shop, and support alumni-owned businesses on the MN Alumni Market.
- ▶ **Deepen** your connection with Alumni Association membership and get first dibs on events, professional development, the latest U of M news, and members-only benefits.

Learn more at
UMNalumni.org/RecentGrad

The University of Minnesota is an equal opportunity educator and employer.
